### ORIENTATION DAY

This semester, we welcomed exchange students from all around the world who have chosen UADE as their academic destination. We are confident they will enjoy a truly enriching international experience on our campus.

### INTERNATIONAL WEEK

As part of our International Week, we hosted a vibrant fair where exchange students from our partner universities showcased their home institutions to the UADE community, inspiring future participants in our exchange programs.

# LEARNING BY TRAVELING

## FINLAND

Students from the Global Business Management and Global Financial Management programs participated in the Summer School at JAMK University of Applied Sciences in Finland.

## CANADA

Students from Global Communication, Global Business, and Global Finance programs participated in a Learning by Traveling experience in Toronto, where they attended classes and engaged with students from Humber Polytechnic.

# LEARNING BY TRAVELING

## **COSTA RICA**

Students from the Bachelor in Environmental Management, along with students from Uruguay's Catholic University, traveled to Costa Rica where they explored the country's national park management. The trip included a variety of lectures and field visits relevant to their academic fields.

## **UNITED STATES, MIAMI**

For the first time, a Learning by Traveling program took place in Miami. Students from the faculties of Economics, Communication, Design, and Architecture engaged in a multidisciplinary experience, visiting leading U.S. companies.

# INTERNATIONAL VISITS

## URUGUAY

In July, students of Agricultural, Industrial, and Food Engineering from Uruguay's Catholic University, visited UADE and toured our laboratories, guided by faculty authorities from the School of Engineering.

## GERMANY

Andreas Moerke, professor and researcher at Worms University of Applied Sciences (Germany), delivered guest lectures for students in the Global Business and Financial Management programs.

## INTERNATIONAL VISITS

### UNITED STATES

We welcomed representatives from Miami Dade College for the signing of a new academic agreement between our institutions.

### PANAMA

We welcomed a visit from the Embassy of Panama and the former Deputy Minister of Foreign Affairs. A book on political and commercial issues related to the Panama Canal was presented, accompanied by a lecture from the diplomats on international politics.

## INTERNATIONAL VISITS

### TÜRKİYE

Law and Social Sciences students visited the Turkish House of Culture, where they were welcomed by the Ambassador of Turkey. Discussions centered on state development and current relations with Argentina.

## INTERNATIONAL VISITS

### TAIWAN

Prof. I-Hsun (Sandy) Chou visited UADE in an event organized by the Taipei Economic and Cultural Office. The masterclass was focused on Taiwan's diplomatic affairs and economic development.

### UNITED STATES

We hosted representatives from DePaul University (USA) who led an academic event for Psychology students. Topics included qualitative and quantitative research, data analysis, scientific writing, and the use of artificial intelligence.

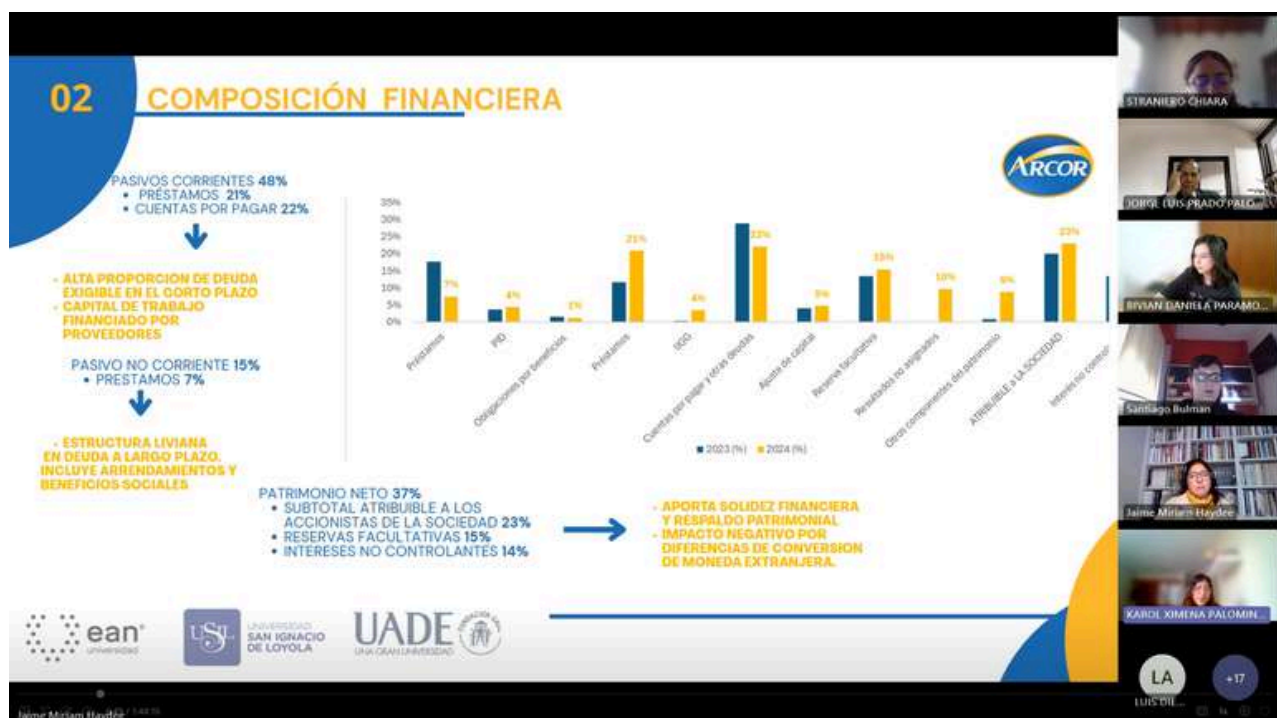

# INTERNATIONALIZATION AT HOME

## COIL | UADE - USIL - EAN

We held the second edition of our collaborative initiative with EAN University (Colombia) and USIL (Peru).

UADE students worked alongside peers from the region to carry out joint academic projects, fostering cross-border teamwork and regional integration.

## INTERNATIONAL ACTIVITIES

### **DOING BUSINESS IN LATIN AMERICA AND DIGITAL MARKETING & COMMUNICATIONS**

Our international students from JAMK University of Applied Sciences, ESSEC Bachelors, Worms, and ISEG concluded the 2025 edition of the “Doing Business in Latin America and Digital Marketing & Communications” program with a farewell ceremony.

After three months of classes and exams, students received diplomas recognizing their participation.
